## THE TIMES-PICAYUNE AND THE NEW ORLEANS ADVOCATE NAMES LOUISIANA CHILDREN'S MUSEUM A WINNER OF THE GREATER NEW ORLEANS TOP WORKPLACES 2023 AWARD

New Orleans, Louisiana May 22, 2023 - Louisiana Children's Museum has been awarded a Top Workplaces 2023 honor by The New Orleans Top Workplaces. The list is based solely on [employee feedback](#) gathered through a third-party survey administered by employee engagement technology partner [Energage](#), LLC. The confidential survey uniquely measures 15 culture drivers that are critical to the success of any organization: including alignment, execution, and connection, just to name a few.

"Earning a Top Workplaces award is a badge of honor for companies, especially because it comes authentically from their employees," said Eric Rubino, Energage CEO. "That's something to be proud of. In today's market, leaders must ensure they're allowing employees to have a voice and be heard. That's paramount. Top Workplaces do this, and it pays dividends."

### ABOUT

A Museum on a Mission: When you make a child's potential visible, wonderful things happen. So we created a place where kids use play, shared exploration, and conversation to connect with the people and world around them. A place where kids can be the amazing humans they are. A place where wonderful things happen daily.

The LCM Vision: What you experience as a child shapes the adult you become. That means you can change a child's entire trajectory by giving them access to safe, innovative, and educational play experiences. And that's the stuff we live for. We're here to show children they matter. We exist to strengthen and support families. And we're going to have so much fun while we do it.
